Subject: Update: Transatlantic Taskforce on Antimicrobial Resistance (TATFAR) September 2021 Conference, Day 1
Attachments: 2021 TATFAR meeting official invitation external.pdf; 325512-A_PUB_TATFAR_ProgressReport_508pass_Embargo.pdf; 2021 TATFAR Meeting detailed agenda_09102021.docx
Location: Webex
Start: 9/14/2021 1:00:00 PM
End: 9/14/2021 3:00:00 PM
Show Time As: Busy

Recurrence: (none)

Update (9/10): minor edits to the agenda attached.

Reminder: if you haven't already done so, please use the following WebEx link below to register for the conference no later than 48 hours in advance (at maximum). Participants MUST register in advance of the meeting.

See attached for the TATFAR 2016-2020 Progress Report. The report is embargoed until 9am EST on Tuesday, September 14, 2021, and should NOT be disseminated to partners outside of this invite list until this date. The first day of the conference will also be streamed live via the link here: <https://webcast.ec.europa.eu/tatfar-conference-day-1>.

Dear Madame/Sir,

We are pleased to invite you to the meeting of the Transatlantic Taskforce on Antimicrobial Resistance (TATFAR), which will take place virtually via Webex on **14 September 2021**. With the increasing importance of antimicrobial resistance (AMR) globally, this meeting will serve a critical role in assessing TATFAR's work to date, exchanging views on other international AMR initiatives, and shaping TATFAR's future work.

Please find enclosed an official letter of invitation with conference details and instructions for registration, along with an agenda. Please also note that only pre-approved participants on our list will be given access to the meeting. Thus, if you feel other colleagues from your organization would need to attend the meeting, please signal this well in advance to the TATFAR Secretariat at tatfar_secretariat@cdc.gov **no later than September 6, 2021**. Please, do not forward the links directly as access will not be granted to individuals who are not on our attendees list.

We ask that you register no later than **48 hours in advance of the conference** to avoid any last-minute technical glitches and to allow us sufficient time to process the registrations.

Please use the following WebEx link below to register.

To connect to the meeting, follow these links to Webex:

DAY 1 (14 September): <https://eccconf.webex.com/eccconf/onstage/g.php?MTID=eb07b53ea5fc82e51446bc20dee2132f>

Best wishes,

Reilly Alu

TATFAR Secretariat

Antimicrobial Resistance Coordination & Strategy Unit

CDC/NCEZID/DHQP
